

SUCCESS STORY

SAHIL SAINI

The story of Sahil is one filled with inspiration and motivation.

Sahil's story is inspiring and truly creates a motivating feeling. Sahil is a much-loved student at Shiksha Prayas whose journey started with the organization in 2017 when he was in the 7th class. He started his studies with a lot of focus and even started attending a tuition centre for the first time. He started giving exams and interacting with members of Shiksha Prayas. In his own assessment, he thoroughly enjoyed the nature of studying which consisted of both fun and intellectually stimulating conversations!

Ever since he joined Shiksha Prayas, he consistently worked hard and is currently in Class 12 studying in the non-medical stream. He is preparing to join the army. He states, "After joining Shiksha Prayas my grades in every class have been excellent and the experience has helped me learn a lot." Beyond academics, Sahil's will and determination in life is inspiring and worth cherishing. With the extensive support of his mentors in life and academics, Sahil is set to embark on a new adventure after his school and face the world with enthusiasm!

At Shiksha Prayas, Sahil's story is one that inspires everyone in the organization, and, his earnest steps towards his dream will make him reach greater heights! We wish him all the very best.

VOLUNTEER DIARIES

VAANI GARG

Hi! I am Vaani Garg, a first year student, pursuing Bcom Hons. from Shri Ram College of Commerce. I am a member of the Human Resources Development Cell at SRCC which works for developing and improving school children's effectiveness and self-reliance. Under the project and development wing, we have started a project called "Eduwave". In this project we collaborate with various NGOs and government schools and impart our knowledge on various topics to the children. Shiksha Prayas is one of those NGOs we collaborate with. We are grateful to Shiksha Prayas for giving us a chance to share our knowledge with their children.

For me, it was a great opportunity. I always believe in sharing my views and knowledge with those who have potential to learn and grab things. If God has blessed me with a good platform to learn and to develop myself then I should also help those who really need it and deserve it. I still can not forget the smiles on the faces of the children when I had my first session with them. It was so blissful. I hope to have more such sessions with them in the near future.
