

Shiksha Prayas Q3 2013 Update

Dear Friends,

At Shiksha Prayas, we had an eventful quarter. Studies are going fine at all 3 centres. I visited Siwan and Taraori on 9th/10th Aug and met teachers and students.

Key updates for this quarter are as follows:

Working Committee Meeting: We had working committee yesterday on 5th Oct. There's new energy and fresh ideas. We discussed about action items based on progress during last 2 months. There's focus on making our activities more effective and impactful. To know about our new team, please visit Shiksha Prayas web-site or facebook page.

Ex-Students Meet: One constant question in last few months has been that what happens to students who pass out of 8th grade and have studied at Shiksha Prayas centres. How can we help them and support atleast some bright students to finally reach some heights and make a difference. We have made a significant beginning. On 2nd Oct, Sushil Chopra and myself met ex-students. We called for meeting with all ex-students. We were impressed by enthusiastic response. 53 students turned up. Everyone was thankful for support provided by Shiksha Prayas tuitions and difference it made. We discussed about how we could help and one common response was need for English Communication skills coaching. In addition, there were requests for counselling for studies/career and to sponsor tuition for higher classes.

Facebook Page: We have created facebook page for Shiksha Prayas for easy communication to all. We'll share regular updates through facebook as well.

Fund Raiser: We are progressing well on fund-raiser. About Rs 4.25 Lacs have been collected and we have few pledges which should help us to meet the target for the academic year. If you are yet to contribute, please initiate NOW.

Pics of the quarter: I am sharing two pics from Ex-students meet and another one is pic of greeting card which one of the student gave to me during my Taraori centre visit. It was very touching. This card belongs to all of you who are supporting us in Shiksha Prayas journey.

Wish you a great festive season!!

शिक्षा प्रयास के सहयोग से
मैं यहाँ पर दूरी कक्षा से
पढ़ रही हूँ। मुझे यहाँ पर पढ़ना
बहुत अच्छा लगता है। मैं
इस ट्यूशन से बहुत कुछ
सीख रही हूँ। यहाँ पर बहुत
अच्छी पढ़ाई होती है। यहाँ के

अध्यापक ने हमें बड़ी का
आदर करना सिखाया। मुझे
यहाँ पढ़ना बहुत अच्छा लगा
मैं यहाँ की आभारी रहूँगी।
अगर ये शिक्षा प्रयास
ना होता तो शायद मैं इतना
कुछ ना सीख पाती।

Thankyou

So
much

From

Monika
