Fund Raiser: We have received decent response to our fund-raiser. We have reached half-way mark of our target. Thanks to all those of you who have contributed. Though we have made good progress, we have long way to go. There are few pending pledges and we will continue the follow-up. We plan to conduct few fund raiser events in Q4. If you have not contributed yet and would like to do so, please send your pledge ASAP and help us meet the target for this academic session.

Best Regards,
Pawan Kamra
