

Shiksha Prayas Q3 2012

Dear Friends,

Shiksha Prayas activities have been progressing well. All 3 centres have been running fine and sponsored students have been doing well.

Post summer vacation during June, studies have started at all the centres in July. Exams of first sem have been completed and classes have started for 2nd sem.

Free Tuition Centre Update:

FTC Kanhai: Studies are progressing fine. Computer classes happened for classes 4th, 5th and 6th (one class per month). RBS employees have been teaching English on Tue and Thu. So our volunteer teacher program is back on track. RBS employees also conducted Independence day with students at FTC Kanhai.

FTC Taraori: Studies are progressing fine.

FTC Siwan: Studies are progressing fine.

Student Scholarship Update:

Scholarships for students: Sponsorships have been approved for part of the study related expenses of 10 students for this year.

Extra classes for students: 4 students from Taraori are taking tuition for 10th class. 8 students for Siwan are taking tuitions (4 each for 11th and 12th class). They have been attending tuitions regularly.

Update on Fund Raiser: Fund raiser has started well, but has been bit slow. I have been busy with work during this quarter, so, I couldn't do active follow-up. We have raised approx 2 Lacs and we have got pledges for approx. 1 L. Still a long way to reach annual target of 6 Lacs. Many thanks to the friends who have already contributed/pledged. Need your further support to raise required funds to manage activities in coming months.

FYI - We plan few activities (Drawing competition, Handwriting competition, Diya making competition etc) in Q4 at all the centres.

Wish you a very happy festival season!!

PS. Sorry, No pics this quarter (couldn't collect these in time and I don't want to delay this update further). Will provide additional pics next quarter :)
