
SHIKSHA PRAYAS

OCTOBER HIGHLIGHTS

Last month we promised October would be different. It was. With fresh sponsorships, an all-new premises, an unforgettable excursion, and celebrations that carried on till the 31st, it truly stood out as a turning point in our journey. Read on....

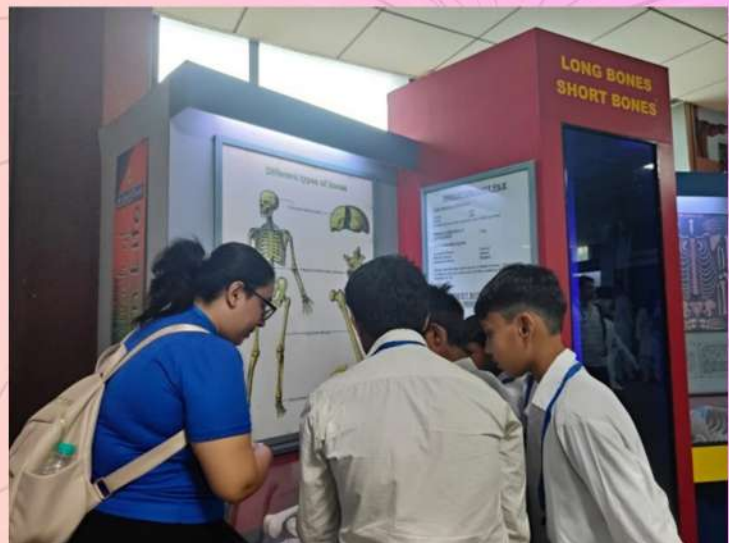

SHIKSHA PRAYAS

A Date to Remember

17th October 2024 will go down as one of the most memorable dates for Shiksha Prayas. For 183 students and 20 teachers and assistants from all our centres, the day was nothing short of remarkable as they converged for a collective outing to the National Science Centre, New Delhi.

And making this unimagined a reality was the CSR team at Technip Energies, Noida, who warmed up to sponsor it in absolutely no time.

SHIKSHA PRAYAS

The super-happy faces say it all.

SHIKSHA PRAYAS

The super-happy faces say it all.

More than 50 of their volunteers took over at the venue, and escorted small groups to the exhibits, stoking their curiosity in the heritage, ancient Indian and current science and technology, human body, marine life, water as a resource, the Jurassic Age and Mathematics sections. Their running explanations and focussed attention made the excursion very purposeful. The walk through was followed by lunch at the cafeteria and board games as gifts.

SHIKSHA PRAYAS

An all-new Kanhai!

Another new this month was the fresh premises of Kanhai FTC. A short distance away from the previous one, this is housed in Amalia Global School, bordering Sector 45, Gurgaon.

We moved in on the 9th, and the larger rooms are giving us scope to expand our reach, with the support of NCR Corporation via Avad India.

SHIKSHA PRAYAS

Diwali

The brightest day of the year ended the month with quite a bash. Siwan had invited chief guests Prof. Rajinder Arora of Government College, Karnal, Mrs. Preeti Gupta from DAV School Kaithal, and Ms. Sandhya , a yoga trainer and You-Tuber for the occasion. Besides performances and an elaborate display of Diwali crafts, there was a slot for yoga and meditation too.

SHIKSHA PRAYAS

Diwali

Taraori was at its artistic best, blending rangoli, crafts, dance and music with ease.

SHIKSHA PRAYAS

Diwali

Kanhai students derived a lot of pleasure from fashioning décor for the Only Good office. Their efforts were rewarded as these pictures show

SHIKSHA PRAYAS

Diwali

And for the joy you see on these faces, we have only our donors to thank. Technip Energies and NCR Corporation, thank you for suffusing us with a fresh burst of energy and happy, hope-filled dreams. Sunsire, our gratitude to you too for committing to partnering with us in the coming months.

Wishing you a happy November!

Best wishes,

Shiksha Prayas Team
